

OMAGGIO A S. PAPA GIOVANNI PAOLO II

Quest'anno ricorrono i 100 anni dalla nascita di papa Giovanni Paolo II, nato a Wadowice (Polonia), il 18 maggio 1920 (e deceduto il 2 aprile 2005) e numerosi Paesi, specie del continente africano, hanno emesso in più occasioni dei curiosi francobolli e foglietti per ricordare il santo Papa e come "omaggio" all'Opera da Lui svolta in occasione delle visite apostoliche che aveva fatto in molti di questi Paesi. Anche noi vogliamo dire GRAZIE al santo Papa pubblicando... in ordine sparso, gran parte di questi "omaggi filatelici":
